ARDEX UI 720™ FLEXBONE®: Suitable Applications

We are writing to clarify our recommendations for ARDEX UI 720 FLEXBONE.

ARDEX UI 720 is intended for use in light commercial and residential applications that will not be subjected to high rolling loads, heavy pedestrian traffic or hose cleaning. Suitable applications include, but are not necessarily limited to, the following:

1. Residential kitchens and bathrooms
2. Boutique storefronts in shopping malls
3. Doctors' and dentists' offices

For commercial applications, contact the ARDEX Technical Service Department for written recommendations.

Should you have any questions on this information, please contact the ARDEX Technical Service Department.
