

ARDEX DS 70™

Acoustic Mat

ARDEX DS 70™ Acoustic Mat is a high performance, durable sound isolation underlayment made from recycled rubber for use under hard surface floor coverings. ARDEX DS 70 delivers dual protection by providing excellent sound reduction results combined with crack isolation properties.

- Sound reduction for tile, stone or wood floor coverings
- Crack isolation protection (up to 1/8" / 3 mm)
- Set tile and stone directly onto ARDEX DS 70 per ASTM C627
- Environmentally friendly; made from 92% recycled rubber
- Fast and easy installation using HENRY 356C MultiPro™ pre-mixed adhesive
- ARDEX DS 70 Systems achieve Light Commercial through Extra Heavy Commercial ratings (ASTM Robinson Test)

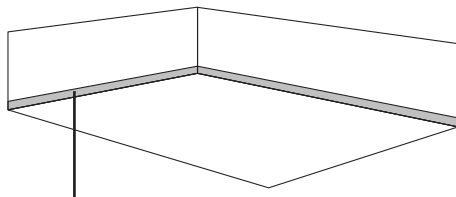

Available Sizes:

2 mm Acoustic Mat - 48" wide x 75' long
(1.2 m wide x 22.9 m long) – 300 sq.ft.

5 mm Acoustic Mat - 48" wide x 30' long
(1.2 m wide x 9.1 m long) roll – 120 sq.ft.

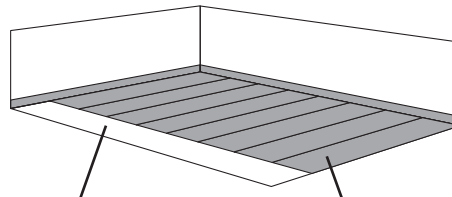

Perimeter Isolation Strip (6mm) - 2 1/2" wide by 50' long
(64 mm wide by 15.24 m long)
