Scale: N.T.S.

Drawings are developed to be compatible with Tile Council of North America 2013 TCNA Handbook for Ceramic, Glass and Stone Tile Installation.

ARDEX products are listed as options and are substituted for TCA's and TTMAC's listed ANSI and ISO 13007 standards. Please refer to the Tile Council of North America 2013 TCNA Handbook for Ceramic, Glass and Stone Tile Installation for complete instructions and application limitations.

Some installation methods and component materials are not referenced. ARDEX Americas encourages the user to consult all approved resources to ensure a complete assembly.
