Shelf Life Extension for ARDEX K 60 Liquid

We are pleased to announce that, after extensive in-house testing, we are extending the shelf life of ARDEX K 60 Liquid to 9 months (previously 6 months) for unopened, properly stored containers.

This will confirm that the 9-month shelf life applies to all current and future stock of unopened, properly stored ARDEX K 60 Liquid.

Should you have any questions on this information, or if we can be of further assistance, please contact the ARDEX Technical Service Department.
